SUMMARY: This memorandum requests that the Authority tentatively designate the Benevolent Fraternity of Unitarian Churches as the Redeveloper of Disposition Parcel PB-9 in the South End.

---

In March 1967, the Joseph Tuckerman Memorial, Inc., a subsidiary of the Benevolent Fraternity of Unitarian Churches, agreed to build a community center adjacent to the proposed Derby Park site in the South End as a condition of its being named redeveloper of Parcel 25 and 29 for low and moderate income housing.

Since that time, approximately 1,000 units of low and moderate income housing, including those on Parcels 25 and 29, have been built. As a result, a community center is needed to accommodate this expanded population in the Lower Roxbury area.

Disposition Parcel PB-9 consists of approximately 37,000 square feet located at Lenox and Washington Streets adjacent to Parcel P-21 the site of Derby Park.

The Cooper Community Center is presently located at 719 Shawmut Avenue, within the Campus High School Project, and is scheduled for acquisition. The Benevolent Fraternity of Unitarian Churches, under the direction of Reverend Virgil E. Murdock, has been working closely with Cooper in the preparation of a building program and preliminary design for a new community center. The Center, proposed for Disposition Parcel PB-9, in the South End, will be leased for a nominal fee to Cooper upon completion.

The program for the proposed Community Center includes meeting rooms, counseling programs, a health clinic, a day care-nursery school, and other community services. The total area of the building, on two floors is approximately 12,500 square feet, and the total development cost is expected to run around \$400,000.

I, therefore, recommend that the Benevolent Fraternity of Unitarian Churches be tentatively designated as the Redeveloper for Disposition Parcel PB-9 in the South End Urban Renewal Area.

An appropriate Resolution is attached.
